

THE INVERNESS GOLF CLUB

Dear Prospective Inverness Golf Club Member:

The Inverness Golf Club, designed by Press Maxwell, was constructed in 1973, and opened for play in 1974. Since that time we have hosted six State Open Championships, eight Colorado Section PGA Championships and two Celebrity Player Tour Events. By hosting these elite events, we have developed a reputation in the golfing community of being a true championship course. However, due to our large variety of teeing areas and varied lengths, both the experienced and the beginner golfer alike can enjoy the course.

Many people do not realize that we offer memberships for the fraction of the cost of a Country Club membership. With a minimal initiation fee and a variety of memberships to choose from, we are certain to have a membership to fit your personal or corporate needs. Additionally, depending upon the membership you select, you can enjoy the many perks associated with *My Inverness Club*, which will provide you with a 20% discount on all food and beverage in our five restaurants and 10% off all spa services 7 days a week, as well as exclusive offers throughout the hotel including special events and promotions. We are also a premier golf course for any tournament needs you may have.

All of us at The Inverness Golf Club take special pride in the condition of our course. With our state-of-the-art equipment coupled with our well-trained staff, you will always find The Inverness course in excellent condition. In the past few years, The Inverness Golf Club has been chosen by the Colorado golfing community as one of the **“Ten Best Private Courses,”** as well as one of **“The Top Resort Courses”** in the state by *Avid Golfer* magazine.

Other course awards include **“Greens of Distinction”** (recognition for outstanding service and staff), **“Golden Links”** (one of the top 100 Resort Courses in the country) and **“4-Star Certificate of Recognition”** from *Golf Digest’s 2007 Places to Play*. The Inverness Golf Course has recently been named the #1 course for hosting a corporate tournament or event in the state of Colorado by *ColoradoBiz* magazine.

I would be delighted to give you a tour of the Golf Club and the Hotel at your convenience and offer you and a guest a round of golf at the current Member-Guest rate, including cart. If you decide to join The Inverness Golf Club as an Individual or Family or Corporate Member, we will give you rain checks for the rounds of golf you played.

Attached is our membership information for your review. Please feel free to call Connie Cofield at 303.397.7800 if you have any questions and would like to schedule a tour.

Sincerely,

David Steinmetz
Director of Golf
